Subject: Intersite Piping Award

Good Morning, Susan,

We are near the end of the "Notice of Intent to Award" waiting period. Unless the city receives a protest, we can proceed with the award process.

Our July 13, 2006 letter to the city recommended award based on USDA concurrence. USDA's July 25, 2006 letter agreed with our recommendation. The paperwork appears to be in order. Our office will prepare four copies of the Notice of Award and mail them to you. We assume that the city's formal decision will be on the August 10, 2006 council meeting agenda.

Once the notice is signed, we will prepare the contract for signatures.

Please call if you have any questions.

Best Regards,

John
