To the People of Lakeside

I believe I have done my job as Mayor of Lakeside to the best of my ability. My goal when I took office was to accomplish as much as we could for the majority of the people of our little town, I still believe that.

Recalls aren't pretty and I'm apologize for it coming to this and yes \$4,000.00 is a lot of money, however I would rather see that spent than to see good hardworking people treated as if they didn't matter.

I still believe that the good people of Lakeside hired me and that gives them the right to fire me when they believe I am no longer doing the job I was hired for. I am willing to accept your decision in this matter with no hard feelings.

The good people of Lakeside deserve better than what has transpired recently and I hope and pray that you decide that I am still worth your vote and keep me working for you.

I want to take this time to thank each one of you for your support and ask for your continued support.

Respectfully,

Orville Nelson
